## A CALL FOR VOLUNTEERS: SUMMER 2008

Far Horizons continues to thrive from year to year because of the volunteers that show up to support the camp. Generating a strong staff of volunteers is a top priority for the Summer of 2008. To do so, we are reaching out to you, people who have experienced or who are interested in experiencing the unique offerings of Far Horizons.

If you or someone you know have an interest in being a part of the Far Horizons staff this summer, please consider applying! There are many benefits.

### **When you volunteer at Far Horizons you get to:**

- Live at camp surrounded by forest and wilderness, with many hiking and meditative opportunities
- Attend any of the personal growth workshops that take place every week
- Enjoy three delicious, organic, vegetarian meals a day
- Live in the absence of electricity, providing a subtle – but noticeable change that gives your body a break
- Be part of a community that share the same common goals and spirit of service

These are just a few of the reasons why spending a week or a summer of service at Far Horizons is so enriching, and there are many more to be discovered. Please contact us for more information.
